

## Combat Brigade Facilities at Fort Stewart, Georgia

**Hunter Saak self-performs with it's sister company Hunter Modular Construction providing all installation services.**

Building Size: Approximately 340,000 square feet

Start Date: May 2004 ~ NTP

Completion Date: October 2004

Owner: Fort Stewart Public Works

This project consisted of 205 modular buildings that formed large complex buildings for barracks, battalion headquarters, company operations admin and storage. This project was successfully completed working with Clark to attain the fast-paced timeline to accommodate the 3rd Infantry Division's needs.

**ONE CALL PROVIDES IT ALL!**
