

Southeast Louisiana Veterans Health Care System ~ Wellness Classroom Hammond, LA

Hunter Saak self-performs with it's sister company Hunter Modular Construction providing all installation services.

Building Size: Three 8'x40' Units

Start Date: February 2011

Completion Date: March 2011

Owner: Southeast Louisiana Veterans Hospital

Hunter Modular Construction teamed with SG Blocks to provide the VA with a containerized building to house their Wellness Classroom. HMC provided all interior/exterior trim out, HVAC, site built roof, electrical, and plumbing. The interior included all drywall installation with complete finish.

ONE CALL PROVIDES IT ALL!
