

Natural Disaster ~ 2003 Tornadoes Jackson Tennessee Area

Hunter Saak self-performs with it's sister company Hunter Modular Construction providing all installation services.

Completion Date: Less than 3 Weeks

Owner: Jackson, TN School District

Hunter Modular responded to the Jackson TN Area tornado disaster of 2003. After tornadoes ripped through the area and destroyed schools, HMC teamed with GE Capital to provide 50,000 square feet of temporary classroom space in less than 3 weeks.
