

Natural Disasters ~ 2004 Hurricanes The State of Florida

Hunter Saak self-performs with it's sister company Hunter Modular Construction providing all installation services.

Start Date: 2004

Completion Date: 2005

Hurricane Season 2004: Charley, Frances, Jeanne, and Ivan

Hunter Modular responded to the Hurricane disasters of 2004 in the State of Florida working with Phillips and Jordan. HMC installed 252 units in 11 days at Commerce Park in Punta Gorda and 150 units in just 7 days in Arcadia. HMC then continued to install emergency units for hospitals, schools, government and local business offices through 2005.

ONE CALL PROVIDES IT ALL!
