

## Temporary Combat Brigade Facilities at Fort Bliss, Texas

**Hunter Saak self-performs with it's sister company Hunter Modular Construction providing all installation services.**

Building Size: Approximately 1,000,000 square feet

Start Date: August 2005

Completion Date: April 2006

Owner: Fort Bliss Public Works ~ USACE—Fort Worth District

This project demonstrates Hunter Modular Construction's ability to complete a large modular building project with a critical completion date. There were 3,800 soldiers arriving to form the New Brigade Combat Team for the 1st Armored Division at Briggs Army Air Field/Ft Bliss and HMC completed the project on time.
